

ENTERTAINMENT

ABSOLUTE POWER DELIGHTS ABSOLUTELY

A complete home entertainment system from RESIDENTIAL SYSTEMS, INC. allows everyone to effortlessly enjoy programming, movies, music and games tailored to their individual tastes and performance requirements. This is the essence of entertainment – getting exactly what you want when you want it.

-
- Enjoy different audio and video programs in different rooms – simultaneously
 - Access customized DVD and CD libraries or hundreds of broadcast sources
 - Tailor system performance for the acoustics in each area of the home
 - Experience live musical performances as if in the perfect venue
 - Treat yourself to perfectly reproduced audio in the ideal room
-

Host the ultimate Super Bowl party with half-a-dozen flat panel televisions throughout your house and high-fidelity audio in every room and even outside. Allow your guests to mingle while keeping their heads in the game, and put together your own half-time musical programming if you're so inclined.
