

# LIGHTING

## ABSOLUTE POWER ILLUMINATES ABSOLUTELY

Focus attention, reveal forms and express moods to create beautiful environments that complement your lifestyle. RESIDENTIAL SYSTEMS, INC. gives you the power, with convenient, one-touch control of your home's natural and artificial light.

---

- Highlight perfectly the architecture, artwork and appointments that make your home unique
  - Create one-touch scenes that set the right mood for the moment (reading, romance, party)
  - Add or alter switches to accommodate your changing lifestyle without expensive rewiring
  - Ensure privacy and protect against heat transfer and harmful solar exposure with silent, remote-controlled window coverings
  - Have your lights mimic your lifestyle habits, to give your home a lived-in look while you are away
  - Control a single room or the entire home, depending on need and budget
- 

Focus your guests' attention on your treasured Reiss glass sculpture, or reveal the architectural wood detailing in the barrel vault ceiling of your new wine cellar. Highlight that which makes your home special, or simply express the mood for the moment, with one-touch control of your home's natural and artificial light.
