THEATER

ABSOLUTE POWER CAPTIVATES ABSOLUTELY

A custom home theater from RESIDENTIAL SYSTEMS, INC. isolates you from the real world while dazzling you with powerful, enveloping sound and a larger-than-life movie screen. Audio/Video mysteries are simplified by an intuitive touchscreen, which also controls drapes, lighting and climate to create an intimate environment for incredible family entertainment.

-
- Experience theater-quality audio and video in your own home
 - Benefit from holistic theater design that optimizes performance
 - Enjoy instant on-screen access to your DVD and CD collections
 - Relax in the luxurious feel of custom theater seating
 - Amaze your friends with the unparalleled sound and picture in a CAT MBX Theater
-

Grab a snack and settle in to your cushy, custom-designed chair, because nothing will distract you once the movie starts in a home theater from RSI. Experience every special effect and actually feel the actors' emotions with a larger-than-life screen and powerful surround sound. Acoustically and visually isolated surroundings and instant access to your DVD library ensure that the entertainment is never interrupted.
